Ardent Tide
When Compliance Matters

INTRODUCING EASY RETURN

Are you ready?

MAKING TAX DIGITAL FOR CIS SUBCONTRACTORS

From April 2026, HMRC is changing how income and expenses must be reported.

If your self employed earnings exceed £50,000, you will be required to keep digital records and submit quarterly updates using approved software.

easy return
CIS Tax Professionals

WHAT IS CHANGING

- Digital record keeping
- Quarterly submissions to HMRC
- Annual tax return via software
- Applies if self-employed earnings exceed £50,000
